BUILDING OUR REPUTATION FOR ALMOST 30 YEARS

Taylor Made Designs are proud to be suppliers to some of the industry's biggest names.

BESPOKE UNIFORMS

Taylor Made Designs are proud to supply some of the UK's leading attractions and holiday parks with corporate uniforms and retail merchandise.

Create the right impression with our complete uniform packages.

We work with the best organisations in the sector to ensure their staff look their best and feel great. Our ranges are designed and manufactured for the work environment to maximise garment longevity, which in turn reduces the impact we create on our environment.

We offer a wide range of 'off the shelf' garments to cater for all areas of your organisation. Once you have chosen your uniform range, we can then add your branded logos to ensure your staff are looking their best ready for the season.

Alternatively, we can design and manufacture a completely bespoke range of garments for you. Minimum orders and lead times apply but this guarantees your staff are wearing a completely unique range of uniforms that greatly enhances your brand identity.

BESPOKE RETAIL MERCHANDISE

Bespoke workwear for restaurant and catering environments.

We can source and supply a huge range of branded merchandise ideal for retail, all of which can be printed and embroidered with your logo.

We offer products such as colouring sets to occupy the children on the wet days, stickers, puzzles, bespoke shopping bags, drinks bottles, beach towels and much more.

Depending on your lead times and volumes, we can source from the UK for quick delivery or Europe or the Far East for higher volume bespoke orders. We will work with you to ensure you are buying the best products and the best prices.

We are your 'one stop' source for uniforms and retail merchandise.
